FALL-WINTER'25

ATES®

www.atesknitwear.com

Ateş Triko, established in 1973 by Fahri ATES in Istanbul Yeşildirek, has been continuing its production activities in the knitwear sector since its inception.

Ateş Triko, which manages all production processes from yarn to knitwear in-house, advances its production process quickly and smoothly thanks to state-of-the-art machinery and qualified personnel in its production line. The production process that starts with weaving continues with garment assembly, washing, and ironing packaging. In the production line, there are 14 Shima Machines and 18 garment machines.

With a fast supply chain and a wide production network in the ready-to-wear industry, Ateş Triko produces sporty and classic knitwear for men. The design of its products is determined based on global fashion trends, seasonal trends, as well as the needs of the industry and its business partners.

Ateş Triko caters to men between the ages of 30 and 70 who follow contemporary fashion, value elegance, and quality.

Currently, **Ateş Triko** exports its products directly and indirectly to domestic and international markets. The main countries to which Ateş Triko exports include the United States, Russia, Kazakhstan, Kyrgyzstan, Uzbekistan, Denmark, Greece, Switzerland, Dubai, and Serbia.

Our Mission: To represent our country abroad with environmentally friendly, safe, and extensive product range in the men's knitwear category, without compromising on our production quality and human values.

Our Vision: To continue our sustainability in the industry as a company that provides high-quality production and focuses on customer satisfaction with our 50 years of sector experience, corporate structure, and values.
